A Message From The Region Director...

Hello Region 5 Jaycees!

Wow where did the time go?? I can hardly believe it is August. I wanted to thank all of you for running some great projects this year. Although I can't do it as much as I would like, traveling to see your chapters in action has been a lot of fun! I have seen a lot of different projects and feel I have gotten to know more about your chapters. If you have any upcoming projects that you would like me or any member of the state or region team to attend, please let us know as soon as possible so we can make arrangements to be there.

I wanted to remind you of the challenges I issued at the May Region

meeting. I challenged your chapter in the second trimester to...

Hold an m-night/day with prospects in attendance, submit a time and location to me and I would attend with other Jaycees to recruit for you.

Each chapter that accepts to grow by a total of 5 this trimester I will provide a champagne toast at the September State Meeting.

Any chapter that accepts and completes an internal or external extension the 2nd trimester will get one paid registration to the September State meeting paid by me as a gift.

Out of the chapters in attendance at the last Region Meeting O'Fallon, St. Louis and St. Charles accepted the

first two challenges. If they do not accomplish the two

challenges then they will be dressed as farm animals for the next Region meeting!!! As time is running short I just wanted to give them a friendly reminder and encourage them to complete the challenge. Want in on the fun???? Just because your chapter was not there, you can still

participate. Just let me know you want to.

I am also going to make a new challenge to complete this month. If you accept, please just email or call me and let me know. Any chapter that recruits 10 members this month, submits closeout on time with all new member information and pays will get one (1) paid State Registration for the September State Meeting!!!! If you accept and don't get 10 new members you will have to serve me drinks at the dance Friday and Saturday night!

I really want you guys to get some new members so whatever I can do to help please let me know. Let's Show President Paul, not tell him! We can do it!

See you soon!

SAVE THE DATE!!!

September Region 5 Meeting

Stephanie Smith and the St. Clair Jaycees have offered to host the upcoming Region meeting on September 4th. The time is TBA still. Stephanie will have a flyer together soon. The location will be at the KC hall, which if you attended last year it will be at the same place. We will have a great training and it will also be an election meeting. Please remember to pay your region dues so your chapter can vote on the region team for 2011! There was an issue in getting them out so we will have that info available at the door so bring your chapter's checkbook.

A big THANK YOU to Stephanie and the St. Clair Jaycees for hosting! I appreciate it so much!

What is the Region 5 Steering Committee?

The Steering Committee for the Region 5 Jaycees consists of up to 6 members, each from a different chapter, which is in good standing in the region. This committee represents Region 5 Jaycees in political matters.

Steering committee members serve three-year terms. The committee is organized so that two people will have completed their terms each year. Each Region 5 director then appoints two people to the committee. They also appoint a Primary and Secondary Advisor. The Primary Advisor will report on matters at the Region 5 region meetings and will also be a member of the Missouri Jaycees Future Directions Committee.

Members of the Steering Committee are Jaycees who have held a region or state level leadership position and are Jaycees who do not plan to run for any elected region or state offices.

The main purpose of the steering committee is to aid those in Region 5 who are interested in leadership positions at any level- local, district, region or state leadership positions. The Steering Committee works to find future leaders and ensure that leadership positions are filled and that our Region is represented well on the state level.

Please feel free to contact any one of us if you are interested in serving in a leadership position.

Current Steering Committee members are as follows:

Scott Tate (Primary Advisor)
St. Charles Jaycees

Patricia Yates (Secondary Advisor)
Washington Jaycees

Kelly Crutchfield
Florissant Valley Jaycees

Matt Schafer

State POC Submissions Deadline: August 20, 2010

Region 5 Jaycees, it's POC time again! How quickly the year flies by! It seems like just yesterday that I got everyone's packets in the mail! Remember, even if you didn't submit for first trimester, everyone already has accumulated points from membership, so you might be just as close to placing as some of the chapters that did turn in their packet.

I will continue to make my plea for online submissions! Think of how we are helping the environment by not wasting all that paper! You can just send it to me in an email and it's done! We can't make it any easier than that! :)

Our next submission is due on August 20th. Remember it must be emailed or postmarked by the 20th to receive credit, with no exceptions. If you start working on your packet throughout the trimester, it is much easier for you at the end! POC is not supposed to be a pain. It is supposed to showcase all of the hard work you all already do! Good luck!

Thank you to St. Peters onlinw for their submissions! If you need any help, please don't hesitate to let me know! I can be reached at poc@mojc.org.

I look forward to seeing lots of packets and that my inbox is full!!
